PROFILE

Results-driven WordPress Developer & Web Designer with 3+ years of experience building, optimizing, and maintaining responsive websites. Proven expertise in WordPress, Elementor, HTML, CSS, and JavaScript, with hands-on experience in SEO, performance optimization, and UX/UI design. Skilled in remote collaboration, having worked with global clients and cross-functional teams to deliver high-quality projects. Passionate about building scalable, user-friendly web solutions while staying ahead of industry trends.

PROFESSIONAL EXPERIENCE

Web Developer

2022 – present

Creative LTD.

- Spearheaded the design and development of WordPress websites with a strong focus on UX/UI, performance optimization, and SEO strategies.
- Managed multiple projects simultaneously, ensuring deadlines, budgets, and client expectations were met.
- Troubleshoot CMS-related issues and implemented fixes for plugin conflicts, theme errors, and performance bottlenecks.
- Integrated Google Analytics, SEO tools, and caching mechanisms to improve website rankings and loading speed.
- Worked closely with remote developers, designers, and marketers to align branding and content strategies.

Wordpress Designer

Freelancer

- Designed and developed custom WordPress websites using Elementor, custom themes, and plugins, ensuring mobile responsiveness and SEO optimization.
- Maintained and troubleshoot website issues, optimizing performance, security, and functionality for international clients.
- Integrated third-party APIs, plugins, and payment gateways to enhance eCommerce and dynamic site functionality.
- Collaborated with overseas clients and development teams via Slack, Trello, and Asana, ensuring seamless remote communication and timely project delivery.
- Provided CMS training and documentation for clients to manage content efficiently.
